

# VA NUTRITION AND FOOD SERVICE

## MISSION:

To provide excellent comprehensive and innovative nutrition and food service programs for our Veterans and stakeholders that are evidence based and support the full continuum of healthcare through interdisciplinary collaboration both within and outside the Veterans Health Administration.

The mission of the VA Dietetic Internship is to prepare competent entry-level dietetics professionals to become Registered Dietitians Nutritionists committed to evidence based practice in the care of Veterans and the public.

## VISION:

To deliver premier level nutrition and food service programs to Veterans and stakeholders, using people centered, results driven and forward looking principles.
